

## Outputs to Outcomes in the Least Restrictive Environment

Ensuring that all learners are educated in the Least Restrictive Environment (LRE) is complex and important. Alt+Shift invites intermediate school district (ISD) and local district teams, inclusive of general and special education personnel, to navigate this challenge during two days of team discussion and activities that move your effort forward.

### Date, Time, and Location

June 19 and 20, 2025  
9AM to 4PM

North Central Michigan College  
Petoskey, MI

### Cost

\$50/person  
for teams of up to 5 people

\$35/person  
for teams of 6+ people

Room block information is on the  
registration form

### Participants Will

- Learn and apply shifts in thinking that lead to systemic impacts
- Examine their ISD/district's LRE implementation in the context of a system
- Utilize tools to deepen discussion and identify team actions

### Audience

ISD and local district teams of diverse perspectives and those critical to leading the LRE effort (e.g. administrators, supervisors, consultants, teacher/ancillary leaders, etc.)
